## **FY 2007 Performance Section 65**

Introduction to the Performance Section	66
Strategic Goal 1 – Provide the information and tools to maximize U.S. competitiveness and enable economic growth for American industries, workers, and consumers	67
Objective 1.1 – Enhance economic growth for all Americans by developing partnerships with private sector and nongovernmental organizations (EDA, ITA, MBDA)	71
Objective 1.2 – Advance responsible economic growth and trade while protecting American security (ITA, BIS)	83
Objective 1.3 – Enhance the supply of key economic and demographic data to support effective decision-making of policymakers, businesses, and the American public (ESA/Census, ESA/BEA)	91
Strategic Goal 2 – Foster science and technological leadership by protecting intellectual property, enhancing technical standards, and advancing measurement science	101
Objective 2.1 – Develop tools and capabilities that improve the productivity, quality, dissemination, and efficiency of research (NIST, NTIS)	105

<i>Objective 2.2 – Protect intellectual property and improve the patent and trademark system (USPTO)</i>	116
<i>Objective 2.3 – Advance the development of global e-commerce and enhanced telecommunications and information services (NTIA)</i>	124
<b>Strategic Goal 3 – Observe, protect, and manage the Earth's resources to promote environmental stewardship</b>	129
<i>Objective 3.1 – Advance understanding and predict changes in the Earth's environment to meet America's economic, social, and environmental needs (NOAA)</i>	135
<i>Objective 3.2 – Enhance the conservation and management of coastal and marine resources to meet America's economic, social and environmental needs (NOAA)</i>	146
<b>Management Integration Goal – Achieve organizational and management excellence (DM, OIG)</b>	163
